

OVERVIEW

Tradewin is an international Customs and trade consulting firm that provides creative and effective solutions and guidance in regulatory affairs, professional advisory, and trade data management.

ABOUT US

Since 1997, Tradewin has been providing professional import and export advice to clients all over the world. Our staff is comprised of licensed Customs brokers, lawyers, accountants, and industry leaders across North America, Asia Pacific, India and Europe. As a team, we work to assess complicated situations, maneuver through regulatory hurdles, and implement solutions that meet both the letter of the law and the spirit of your business.

With a consulting staff of over 200 dedicated trade professionals, our global network spans 18 countries and in over 30 cities. From compliance programs to trade data management, Tradewin brings an innovative vision that leverages both local expertise and global understanding.
